**Re: Letter of Recommendation
Clear-Con, LLC**

To Whom It May Concern:

Clear-Con, LLC has done several site clearing projects as a subcontractor for our company and Clear-Con, LLC has performed in an outstanding manner on all of those projects. Their scope of work included site clearing for subdivision right-of-ways, roadways, and building lots with acreages ranging from 35 acres all the way up to 153 acres. Clear-Con, LLC is very diligent and efficient in their work and all of their personnel are a pleasure to work with. From their personnel in the field to their office staff, they are all extremely professional and knowledgeable in their trade and business. Clear-Con, LLC has consistently come in ahead of schedule on all of our projects most of which have had extremely aggressive schedules.

Southern Development Corporation would highly recommend Clear-Con, LLC for any clearing project and we look forward to working with them again.

Please call me if you have any questions.

Sincerely,

Bruce A. Chan
Project Manager
